Our boutique luxury home delivering individual care for our residents

Out and About with Kingfishers

Encouraging mobility and maintaining an active social life are key to wellbeing at every age. Our residents enjoy getting out and about, staying connected with their community, and embracing the world around them - proving that every step and every smile makes a difference.

Another highlight was our charming coffee trip by the river. Sipping warm drinks while soaking in the tranquil riverside views created a wonderfully peaceful atmosphere, making it a perfect opportunity for residents to unwind, chat, and enjoy the simple pleasures of the day.
