Our boutique luxury home delivering individual care for our residents

July Highlights

We have recently enjoyed a number of wonderful events at Kingfishers. Our Summer Party was a highlight, with residents, families, and staff coming together for an afternoon of celebration, complete with fantastic Elvis Presley tribute entertainment. We also marked Yoga Day, offering residents the chance to take part in gentle exercises focused on relaxation and wellbeing. In addition, a Relatives' Meeting was held, attended by Chris Rose from Able Care and Harj Gill from Financial Advice, providing useful updates and support for families. These occasions have helped strengthen our community spirit and provided enjoyable experiences for all involved.

Engaging with Our Local Community

We have continued to enjoy a busy and rewarding period within the community. Another successful Dementia Café was held at Bourne End Community Centre, bringing people together in a warm and supportive environment for conversation, activities, and companionship. We were also pleased to have a table at the Bourne End Community Market, where we had the opportunity to meet local residents, share information about our services, and strengthen community connections. In addition, members enjoyed a variety of outings, providing valuable opportunities for social interaction, new experiences, and enjoyable days out. Thank you to everyone who attended and supported these events we look forward to welcoming you to many more in the coming months.

Activities & Wellbeing Programme

There has been plenty happening within the home over the past few weeks, with residents enjoying a variety of activities and special events. We were delighted to welcome live entertainment from Rah Rah Theatre and the talented Martin and Del Duo, whose performances brought lots of music, laughter, and enjoyment to everyone. As the weather warmed up, residents made the most of the sunshine with paddling pools in the garden, providing a fun and refreshing way to cool down. We also celebrated both Royal Ascot and Father's Day in style, with themed activities, delicious treats, and opportunities for residents, families, and staff to come together and create special memories. It has been wonderful to see so much engagement, happiness, and community spirit throughout the home.
