## Our first Dementia Café

We were delighted to host our very first Dementia Café at Kingfishers Care Home, bringing together residents, families, and members of the local community for a warm and welcoming afternoon. We were honoured to be supported by the wonderful team from The Princes Centre and to welcome Cllr Lesley Clarke OBE from Buckinghamshire Council. Guests enjoyed coffee, pastries, and friendly conversation in a relaxed setting designed to support those living with dementia and their loved ones. Thank you to everyone who attended and helped make our first Dementia Café such a meaningful and successful event.

# Supporting Our Local Community

Kingfishers Care Home is proud to continue building strong connections within our local community through a variety of wonderful events and partnerships. We are excited to now be part of the Bourne End Community Market, where our lovely Home Manager, Roxana, and Clinical Lead, Beata, hosted a table and had the pleasure of meeting so many friendly faces from the local area.

These opportunities have helped us build some truly wonderful relationships within the community. We also had the privilege of attending the beautiful Dementia Day event at Bisham Abbey hosted by Age UK, which was a meaningful and inspiring day dedicated to raising awareness and support for those living with dementia.

## Activities, Entertainment & Wellbeing

Residents at Kingfishers Care Home have enjoyed a wonderful range of activities and entertainment over the past few months. We were delighted to welcome live performances from Kelbil Duo and Gary Allen, as well as visits from Dave and Jill from the local community church. Residents also enjoyed a memorable trip to the RAF Museum in Colindale and regular exercise sessions with fitness instructor Heena, where we have seen fantastic progress in mobility and confidence. To top it all off, everyone loved our special ice cream trolley visit, which brought plenty of smiles and sweet treats for all to enjoy.
