Eximuis Celebrating 10 Years and Beaconsfield Mayor

Kingfishers Care Home residents recently enjoyed a wonderful outing to Eximuis as it celebrated its 10th anniversary, marked by a special visit from the Mayor of Beaconsfield. The event was filled with joy and community spirit, giving residents the chance to dance, sing, and socialise with others in a lively and welcoming atmosphere. A particular highlight of the day was the opportunity to meet members of the fire and rescue service, where residents not only chatted with the crew but were also given an exciting tour of a fire engine. It was a truly memorable day for everyone involved, full of laughter, connection, and new experiences.

Dementia Cafe and Royal Collection Trust Visit

We enjoyed a delightful visit to the dementia café in Old Windsor, organised by Age UK, for their “Pubs and Pastries” event. The outing provided a warm and friendly environment where our residents could relax, socialise, and enjoy a selection of delicious treats. A special highlight of the day was a visit from the Royal Collection Trust, who delivered a fascinating presentation on Windsor Castle and its rich history. Our residents were thoroughly engaged, sparking conversations and fond memories, making the experience both enjoyable and meaningful for everyone involved.

Busy Days at Kingfishers

Life at Kingfishers Care Home has been full of energy and celebration, with a variety of in-house events bringing joy to everyone. Our residents enjoyed lovely garden parties and refreshing lemonade gatherings, making the most of the warmer days in great company. We also came together to celebrate a special baby shower for one of our staff members, creating a warm and supportive atmosphere. Alongside this, a range of talented entertainers visited the home, filling our days with music, laughter, and engagement. These moments have helped create a truly positive and uplifting environment for our residents and team alike.
