Buckinghamshire SL8 5RA

Our boutique luxury home delivering individual care for our residents

September Highlights

September has been another spectacular month in Kingfishers Care Home! We have enjoyed plenty of activities; from spelling bees to big game competitions, from colouring to baking and to visiting Wycombe Chair Museum. Our residents loved learning about the chair making history of Wycombe. We have certainly filled our month with lots of laughter and conversations. Another big highlight of our month was celebrating Japan where learnt all about the culture and tried out Japanese themed cuisine.

Engaging with Our Local Community

Our involvement in the community continues to blossom! We attended the Community Market once again, giving us plenty of opportunities to meet new people and businesses. We are also very much looking forward to hosting some of our upcoming charity events such as our MacMillan Morning this September and even more events in October! We are particularly looking forward to hosting our Breakfast Morning on the 17th October, come along for some tea and some chats.

Activities & Wellbeing Programme

September has been busy as usual here at Kingsfishers. We have played plenty of games with lots of laughter; especially when the staff and residents go head to head. Our adventure to the Chair Museum was so much fun and was filled with lots of learning. Our residents have also enjoyed doing some baking and testing out their artistic side with some colouring. Regular exercise is also a large part of our monthly calendar as it is so important to get our bodies moving, no matter our abilities! Our residents love listening to music and having a good stretch. October is certainly looking exciting with lots of fun and spooky activities ahead!
