Fieldhead Gardens, Wooburn Green, Bourne End
Buckinghamshire SL8 5RA

Our boutique luxury home delivering individual care for our residents

August Highlights

August has been an amazing month filled with sunshine and laughter. A particular highlight of this month was our trip to Ray Mill Island in Maidenhead. We took a lovely walk around the Island, said hello to the guinea pigs and birds and we loved sitting and watching the ducks. Our trip was made possible with the support of our great team and family members who joined us. Another highlight was our Italian themed day where we decorated and celebrated Italy by doing a quiz and watching an interesting documentary.

Engaging with Our Local Community

Community participation from Kingfisher's continues to grow; this month we attended the Bourne End Community Market where we spoke to members of the community about our care home. We also attended our Dementia Café with our residents where we played a fun game of Bingo with prizes and had plenty of tea and cakes. We are also very much looking forward to our 1920's themed party where we have invited members of our local community to come and join us.

Activities & Wellbeing Programme

August has been another jam-packed month of fun activities and getting involved with the community. Our outings have been greatly successful, enjoying the fresh air, scenery and great conversations. We have played lots of games including balloon tennis which is fun for everybody and a great way for our residents to get some exercise in, along with our fitness sessions. We have also celebrated lots of birthdays this month with cake and a lot of fun. We are also really looking forward to making our decorations in preparation for our 1920's themed party on 28th August 2026.
